

Perfect Love

(P Gould)

Hard to believe
after all this time
I thought I really knew me well
I thought I really knew my mind
oh, but I feel my world
changing overnight
I'm not content in my own skin
and I don't know where I fit in
I only know that only you can make it right

This could never be a perfect love
it's either crazy or sublime
but I'm not looking for a perfect love
I just want to make you mine

Hard to believe
all the things I said
I don't know what came over me
I guess I really lost my head
oh, but I do concede
now I don't want to fight
but if I choose to disagree
it doesn't mean that I can't see
just how much you mean to me
God only knows where I would be
I only know that only you can make it right

This could never be a perfect love
it's either crazy or sublime
but I'm not looking for a perfect love
just want to make you mine

Kick over the traces
and start again
If you let me make it up to you
I will be your friend again
Been too many places
when I should have been with you

This could never be a perfect love
it's either crazy or sublime
but I'm not looking for a perfect love
I just want to make you mine
This could never be a perfect love
it's not easy to define
I will settle for imperfect love
I just want to make you mine
