

# Gould, Brown & Black Terraforming

## Astral Vampires

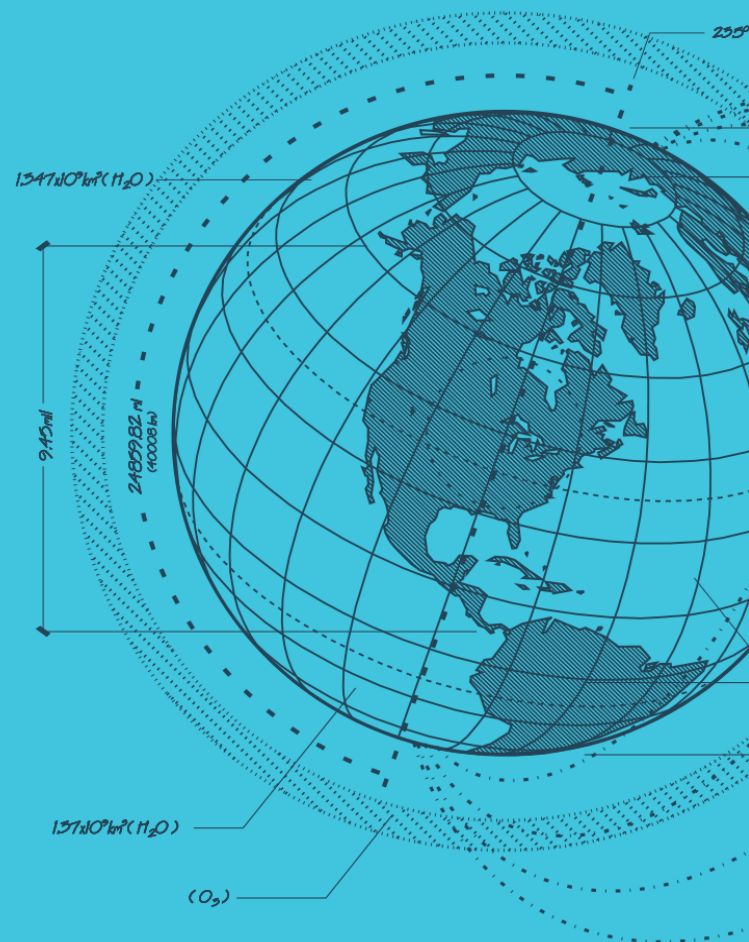

Something for nothing  
is the way I've always been  
you can tell that I been rehearsing  
by the way I play the scene  
you know I been searching  
my faith's in a higher spin  
it's driving me crazy going round and round and round and round again.....

This fantasy  
seems real to me  
out here  
I got no fear  
you know it's like a late night city B movie scene  
I've had better dreams  
still I pray  
you don't give me away

oh, how was I to know  
that I could fly so low

To be in my world  
is to feel no pain  
Let me take you there  
you won't come back again  
I can build you up  
just to knock you down  
I can bleed you dry  
I can spin you round  
I'm a Daddy's girl  
gotta have my way  
I can lead you on  
then I'm on to a better day  
It's a wonderland  
of my own design  
to be in my world  
is to come alive

*Come alive*

Gould, Brown & Black  
**Terraforming**

There's something troubling  
'bout the way I take you in  
falling prey to manipulation  
you can only let me win  
without even touching  
I'm underneath your skin  
it's driving you crazy going round and round and round and round again

but this way to be  
seems clear to me  
out there  
you know I just don't care  
you know it's like a late night city B movie scene  
I've had better dreams  
still I pray  
you don't give me away

But how was I to know  
that I could fly so low

To be in my world  
is to feel no pain  
if I take you there  
you won't come back again  
I can build you up  
just to knock you down  
I can bleed you dry  
I can take you down  
I'm a Daddy's girl  
gotta have my say  
I can lead you on  
then I'm on to a better day  
It's a wonderland  
of my own design  
to be in my world  
is to come alive

*Come alive*
